POSITION DESCRIPTION

Under the Executive Director's administrative direction, the Clinical Administrator plans, organizes, directs, and evaluates the treatment programs and clinical support functions for the Department of State Hospitals (DSH) at one of the aforementioned locations. The Clinical Administrator functions to provide policy making decisions, administration, implementation, and oversight of the clinical operations of a health care organization and to relieve the Executive Director in times of absence from the facility. The Clinical Administrator ensures that all clinical service programs and departments comply with established DSH policies and procedures. The Clinical Administrator provides management interface between the DSH – Sacramento Office and program staff as determined by the Executive Director. The Clinical Administrator also takes actions required to implement the key priorities discussed in the DMH (Department of Mental Health) 2011 Transition Plan. These priorities include but are not limited to ensuring fiscal reporting integrity is maintained, managing budgets to remain with annual fiscal allocations, adhering to State personnel policies and procedures, and following State contracting policies and guidelines. The Clinical Administrator is responsible for maintaining the highest levels of transparency and accountability in all areas of clinical operations. The Clinical Administrator may represent the Executive Director during Governing Body meetings.

The Clinical Administrator directly supervises the Program Directors, Senior Psychologists, and other professional and support staff, as assigned.

MINIMUM QUALIFICATIONS

Applicants must meet the following minimum qualifications:

Either I

Must be a current State civil service employee with permanent civil service status, as defined in Government Code Section 18546.

Or II

Must be a current or former employee of the Legislature, who resigned or was released from service within the last 12 months, and with two or more consecutive years of service as defined in Government Code Section 18990.

Or III

Must be a current or former nonelected exempt employee of the Executive Branch of **government** who resigned or was released from service within the last 12 months, and with two or more consecutive years of service (excluding those positions for which the salaries are set by statute) as defined by Government Code Section 18992.

Or IV

Must be a person retired from the United States military, honorably discharged from active military duty with a service-connected disability, or honorably discharged from active duty as defined in Government Code Section 18991.

KNOWLEDGE AND ABILITIES

Applicants must demonstrate the ability to perform high administrative and policy – influencing functions effectively. Such overall ability requires possession of most of the following more specific knowledge and abilities:

(1) Knowledge of the organization and functions of California State Government including the organization and practices of the Legislature and the Executive Branch; principles, practices, and trends of public administration, organization, and management; techniques of organizing and motivating groups; program development and evaluation; methods of administrative problem solving; principles and practices of policy formulation and development; and personnel management techniques; the department's or agency's Equal Employment Opportunity Program objectives; and a manager's role in the Equal Employment Opportunity Program.

(2) Ability to plan, organize, and direct the work of multidisciplinary professional and administrative staff; analyze administrative policies, organization, procedures and practices; integrate the activities of a diverse program to attain common goals; gain the confidence and support of top level administrators and advise them on a wide range of administrative matters; develop cooperative working relationships with representatives of all levels of government, the public, and the Legislature and Executive branches; analyze complex problems and recommend effective courses of action; and prepare and review reports; and effectively contribute to the department's or agency's Equal Employment Opportunity objectives.

These knowledge and abilities are expected to be obtained from the following kinds of experience with substantial participation in the formulation, operation and/or evaluation of program policies (experience may have been paid or volunteer; in State service, other government settings, or in a private organization):

CEA Level 1. Supervisory/administrative experience in a line or staff activity, including the execution and/or evaluation of program policies.

CEA Levels 2 and 3. Broad administrative or program manager experience with substantial participation in the formulation, operation, and/or evaluation of program policies.

CEA Levels 4 and 5. Extensive managerial and program administrative experience which has included substantial responsibility for a combination of management functions such as program planning; policy formulation; organization coordination and control; and fiscal and personnel management. Where high technical professional qualifications are of primary importance in performing the duties of a given CEA position, then the above required experience may have been in a staff capacity exercising professional skills to influence and contribute to program, policy, and methods of providing those professional services. Primary examples are medical doctors and attorneys.

DESIRABLE QUALIFICATION(S)

1. Knowledge of the principles, procedures, and techniques used in planning, evaluating and administering a multidisciplinary patient treatment organization.
2. Knowledge of California laws and rules pertaining to the administration of a psychiatric facility, and the Joint Commission's policies and standards.
3. Knowledge of the mental health recovery model based on the concept of recovery from severe mental disorders and its application in an inpatient psychiatric facility.
4. Ability to understand and apply the concepts of Continuous Quality Improvement within the organization.
5. Demonstrated leadership and management experience working in a psychiatric facility, in addition to showing initiative and independence of action in policy and decision-making.
6. Demonstrated ability to establish program monitoring and evaluation processes.
7. Knowledge of the establishment of the new Department of State Hospitals; and the actions required to implement the key priorities discussed in the 2011 DMH (Department of Mental Health) Transition Plan -- www.dsh.ca.gov/Publications/TransitionAndReorg.asp

EXAMINATION INFORMATION

A minimum rating of 70% must be attained to obtain list eligibility. Hiring interviews may be conducted with the most qualified candidates. All candidates will receive written notification of their examination results. Applications will be retained for twelve months.

The Results of this examination may be used to make additional appointments to CEA positions that are substantially the same and used to fill subsequent vacancies for these position(s) for a period of up to twelve months. The additional position title(s) are listed below:
